Dear Mrs. McEwan,

Re: Thomas Russell ADAMS

Please be advised that I have directed the Chief of Finance for the Department of Fisheries and Oceans to draft a cheque for Mr. Thomas Russell ADAMS in the amount of \$4,670.00, this being the amount received for the seventeen pails of roe on kelp seized by this Department. The other five pails were seized by the Department of Treasury United States Customs Service and therefore would not be included in the monies ordered returned by the court.

I apologize for the delay, but this Department was reviewing the case with the Department of Justice.
